

Weekly Status Report

Prepared by Aman Samriya | 2026-05-13

Highlights

- Finalized HowFixed onboarding guide
- Completed Workstream-2 pain point analysis

Progress

- Reviewed agent UI flows
- Interviewed 4 engineers for feedback
- Built Excel + Email skills in Copilot CLI

Blockers / Risks

- Limited access to ICM dataset
- Pending mentor feedback

Next Week Plan

- Synthesize engineer interviews
- Draft user research report
- Build incident classifier skill

Asks / Help Needed

- Mentor review of pain point document
- Access to anonymized ICM samples
